Former British Colonies (incl. US) Belong to Rothschilds

May 18, 2025

All countries with Rothschild central banks are not really independent. National sovereignty is a hoax.
WORLD GOVERNMENT TYRANNY SIMPLY SEEKS TO ACKNOWLEDGE WHAT ALREADY EXISTS.

"The Federal Reserve Act is approximately 1500 pages and places the currency and finance for the United States Corporation under a private corporation called, "The Federal Reserve." The Federal Reserve is owned lock, stock and barrel, by the Sabbatean/Rothschild Banking Empire and not by the people or the corporate government of the United States.

"The Great Depression of 1929, like so many other catastrophes before and after this date was actually a staged event, concocted by the Sabbatean/Rothschild and Rockefeller Banking Empires; the Queen and British Parliament; the US President and Congress; the Vatican and numerous Elite families to steal America's gold and silver reserves and replace it with, "Negotiable Debt Instruments" or Script money.

"American citizens are defined as, "an enemy of their government" and this is the reason why Lincoln's Declaration of War is renewed yearly by Congress and the President!

Excerpt (p.36) from a 92-page document *"The Great American Adventure"* by a "retired Judge Dale"

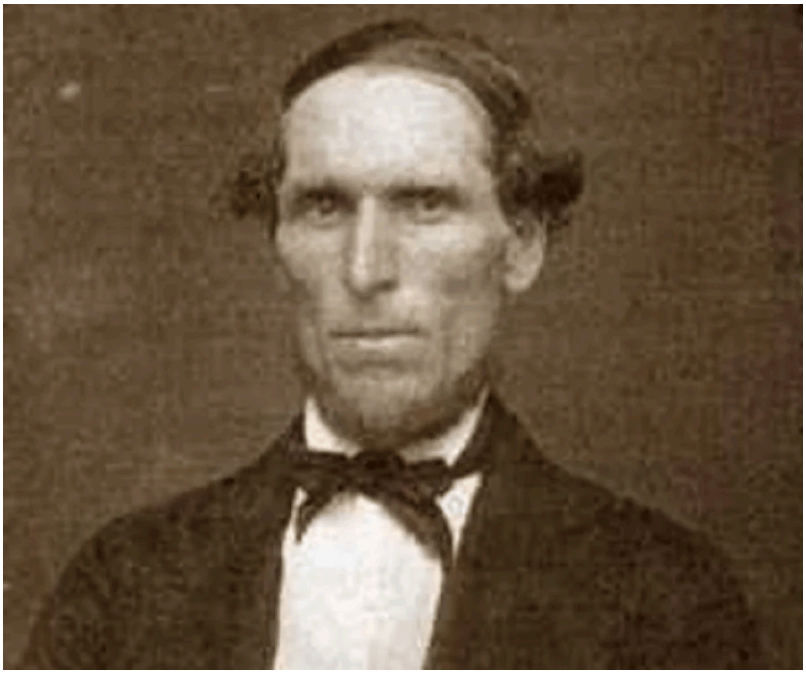
[And the introduction of a new legal system.]

On March 9, 1933, House Joint Resolution No. 192-10 by the 73rd Congress, was voted into law, which is the Emergency Banking Act. This Act declared the Treasury of the United States, 'Bankrupt', which is an impossible feat since the U. S. Treasury was secretly closed by the Congress twelve years earlier in 1921.

The Emergency Banking Act succeeded in abrogating America's gold standard and hypothecated all property found within the United States to the Board of Governors of the Federal Reserve Bank.

All Sovereign American Citizens residing within the Republic of States suddenly and falsely were expatriated from their Sovereign American status without their knowledge or consent and their labor, souls, children, property, sweat equity and credit became the financial collateral for the public debt, which had then been converted into a Public Trust, which had been scripted after the ancient Roman Trusts.

"Script" money or [negotiable debt instruments] was issued by a private corporation, which is owned by a group of Sabbatean European Jewish Bankers and which is known to everybody as: "The Federal Reserve System." These promissory notes were called Federal Reserve Notes and our future treatment by the U.S. Government was to be redefined under USC Title 50, 'The Trading with the Enemy Act' in which **American citizens are defined as, "an enemy of their government" and this is the reason why Lincoln's Declaration of War is renewed yearly by Congress and the President!**



In the same year President Roosevelt closed THE VIRGINIA COLONY CORPORATION and opened a new Government Corporation called: THE UNITED STATES, INC. "The Federal Reserve Act" was designed and written by a German National who was repatriated into the United States in 1903 through Ellis Island of New York. His name was Paul Warburg, and who was a carbon copy of Alexander [Levine] Hamilton (LEFT.)

Mr. Warburg was a Sabbatean German Jewish Banker and CFO of the Rothschild Banking Empire. Mr. Warburg's assignment was to craft a piece of legislation designed to control the finances of the United States Corporation from Europe.

The Federal Reserve Act is approximately 1500 pages and places the currency and finance for the United States Corporation under a private corporation called, "The Federal Reserve." The Federal Reserve is owned lock, stock and barrel, by the Sabbatean/Rothschild Banking Empire and not by the people or the corporate government of the United States.

The Great Depression of 1929, like so many other catastrophes before and after this date was actually a staged event, concocted by the Sabbatean/Rothschild and Rockefeller Banking Empires; the Queen and British Parliament; the US President and Congress; the Vatican and numerous Elite families to steal America's gold and silver reserves and replace it with, "Negotiable Debt Instruments" or Script money.

Their theft was ingenious and by allowing the public to fall on hard times, the public soon began to demand that the government fix the problem by any means necessary! This was like self mutilation being repaired with a band-aid!

NOTE: While everyone struggled in this Country to survive, President Roosevelt and the Congress were making interest bearing loans to Foreign Governments, using the very money they publicly swore did not exist!

Germany used that money to enlarge their War Chest. The American public however was so self-indulged about their own personal fate that they never considered or asked how it was possible that all of the above government individuals, never

personally lost a dime during the Great Depression and how they all continued to enjoy their family estates and personal wealth!

Remember the term, "functional illiterates?" Need I say more? We all have been trained to believe that someone not born on American soil is an alien however we forget to consider that the Declaration of Independence was written completely by aliens and not one adult Colonist or Founding Father was born on American soil!

The Immigration Laws of the United States are contrary to the Declaration of Independence and the biggest Terrorist on the planet is now the United States Government! This fact will be further discussed later on.

Following the 1933 bankruptcy; most American's were not aware that HR 1491 or HR 4960 had been secretly passed, wherein the US Congress actually relinquished our right to have or accumulate gold and silver. The Congress eventually repealed part of this legislation to accommodate jewelers but all Americans' are still prohibited from having or accumulating solid gold and silver.

Hence, our coins are no longer solid gold or silver but are tin and nickel plated, carbon filled coins. Pennies are tin and copper plated carbon filled coins. These Acts also established the requirement of licensing and then with the enactment of *'The Trading with the Enemy Act'* under War and National Defense; the Confiscation Act, the Reconstruction Act and the Lieber Code were all tied together to create the secret fascist government of the United States.

JEFF said (May 19, 2025):

f your cited author could be so wrong about that, I venture that he's not very accurate on some of his other points. The declaration of Independence also does not portend to be legislation for the new nation and does not support uncontrolled immigration in perpetuity(or at all). Our Founders obviously didn't want niggers immigrating at all, nor did most of them want any other nonwhites or non christians immigrating.

It also does not appear that owning gold or silver bars is a illegal although there may still be such laws on the books somewhere, that I don't know.
But they are not enforced obviously if they exist.
So this writer is very fast and loose w the facts.
